The only way to become a better writer is to write! This course is designed to help participants develop the basic tools necessary to become better writers. Learn how to turn a so-so sentence into a sentence that sings. Participants' writing will be critiqued by their peers in a nonjudgmental workshop setting. If you have longer pieces to submit, we will use them as a vehicle for revision techniques. We will also discuss writing craft and the business of selling one's words. Come ready to turn your dreams into reality.

Recommended texts: *On Writing Well*, William Zinsser; *The Elements of Style*, Strunk and White; *The Writer's Market* (annual).
