

Open Studio Art Fall 2022

Hello painting friends,

Welcome to Open Studio Art, Fall 22 session. The class meets Mondays from 10 to 12 am beginning Monday, September 12 until November 21, with no class on Sept 26.

For our new members, we meet weekly on Zoom. You just need to send me your work by Sunday PM so I can put it in a slide show for class on Monday which we will then view and critique in class. You can work in any medium, just be willing to share something weekly, even if it is in progress. I will send the Zoom link every Monday morning.

For the past few sessions, we have been choosing a weekly focus to spice things up which has been a lot of fun as well as challenging and we will likely do the same this session if the group agrees. Past topics have been winter scenes, abstract works, and animals.

For our first meeting, we will get to know each other and then view any art you may have shared. Feel free to share art you worked on over the summer or something you may be especially proud of and want to share.

Mondays are my favorite day of the week thanks to Open Studio. Please be in touch with any questions.

Glad you decided to join us,

Kathy Webster
